Subject: Your Class II and III Railroad Annual Report and Regulatory Fees are Due May 1

State law requires you to file an annual report and pay regulatory fees to the Washington Utilities and Transportation Commission.

What is required of me?

By May 1, you must:

- Complete and file the enclosed 2005 annual report form
- Pay your 2006 regulatory fees (The regulatory fee does not apply to charitable organizations organized under IRS Code 501 c 3.)

Failure to file your annual report or pay regulatory fees by May 1 will result in a penalty. This is the only notice you will receive from the commission.

What happens if I do not pay my regulatory fees by May 1?

If regulatory fees are not paid by May 1, you will incur:

- a 2 percent penalty on the amount due; and
- a 1 percent monthly interest charge on the unpaid balance.

Can I request an extension of time if I am unable to file the annual report by May 1?

Yes, you must provide the request in writing, including a valid reason for the extension by May 1.

We will notify you when your request is approved or denied. You will still be liable for penalty and interest payments if you fail to pay your regulatory fees by May 1. If you are late filing your annual report or fail to file, you could incur additional penalties up to \$100 a day.

Where do I mail the completed annual report form and regulatory fee payment?
